FACULTY

Administration

The Administration is the vital core of Brother Rice High School. Through its decisions, policies, and actions it efficiently and aptly controls the operation of the school. The school principal, Br. Popish, is greatly aided by a group of qualified and experienced administrators, all geared to the concerns of the school as a whole. Their past results have been impressive, and it can be expected that they will continue to keep Brother Rice on the high standards of quality it presently maintains.

Religion

The main objective of the Religion Department according to Br. Coleman, department chairman, is "to transmit the message of Jesus Christ and his Church, with a view towards total integration of the person." Brother Rice High School has retained religion as an integral portion of the academic curriculum offered to students. The most important item about the religious curriculum is that there is a logical four-year progression, with each course ultimately building upon what has come before and eventually flowing into future courses. Although much renovation has occurred in the past, no major innovations are planned for the Religion Department; rather, the department plans to analyze its effectiveness through judging its current course offerings and their results.

Guidance

"Have a problem? See your counselor." This refrain is common to Brother Rice's experience guidance counselors. Personal problems, academic questions, college selection, or choosing a vocation; these are typical problems facing a high school student and can be rectified or alleviated by a member of the department's competent staff. They are eager and willing to help Rice students, and their doors are always open.

3. MR. JAMES P. CUMMINGS: B.A., St. Ambrose College. Guidance counselor and teaches Religion IV; Ninth year.

Languages

The main objective of the Language Department is to teach a student to speak a foreign language and to introduce him to another culture and heritage. Through this assimilation of various cultures a student can hopefully enrich his learning experiences and broaden his knowledge. Br. Walczak, department chairman, plans one major innovation, a special course which would stress the listening and speaking of a language as in a traveling situation, rather than a language as found in the ordinary classroom atmosphere.

Mathematics

The Mathematics Department attempts to provide the student with the fundamental basics of mathematics with a particular interest in practical application. Chaired by Brother Reynia, the department possess a highly competent staff. No changes are planned for the mathematics curriculum, and justifiably so. The consistently high math scores posted by Rice students in national testing indicate the caliber of instruction and indication that the present techniques and methods should not be altered.

Social Studies

The Social Studies Department, chaired by Mr. Bara, instituted several new curriculum offerings for this year. The elective program was revised to meet the needs and concerns of senior students, many of whom felt the old program to be obsolete. Examples of the diversified courses include American Foreign Policy, Sociology, Constitutional Law, Comparative World Governments, and Russian Studies. These and other courses are utilized in an attempt to fulfill the main objective of the department. That goal, according to Mr. Bara, is to "focus attention upon those human interrelations which should be developed in a democratic society through critical judgements and constructive thinking of the American heritage."

Business

The Business Department is perhaps the most established one at Brother Rice. With the exception of Br. Kealy, each department member has been teaching at Rice for a minimum of seven years. In addition to teaching experience, most of the department members have had experience in the business world. Mr. Osborne, Department Chairman, states that the Business Department offers courses which attempt "to contribute to intelligent economic citizenship through a study of business." Included in the curriculum are Beginning Accounting, Advanced Accounting, Typing, and Business Law.

3. MR. JOSEPH B. BERGMANN: B.S., Loyola University. Teaches Business Law and English II; Assistant Track Coach; Twelfth year.

Fine Arts

Both the Music Department and the Art Department can be placed under the heading of Fine Arts. They fulfill the criteria set by Br. Chapman which is to:

direct the mind in new direction
develop the uniqueness of the individual
make the potential talent in each individual work for him
involve the individual in seeking, discovering, and working.

Br. Chapman is the Art teacher at Brother Rice. Music Appreciation is taught by Br. Hale, the Esquire and Marching bands are directed by Mr. P. J. Henning, the Concert Band is directed by Mr. Leo Henning, and the entire band is moderated by Br. Coleman. The fine bands which have been produced at Rice can be attributed to the talent and effort of these men.

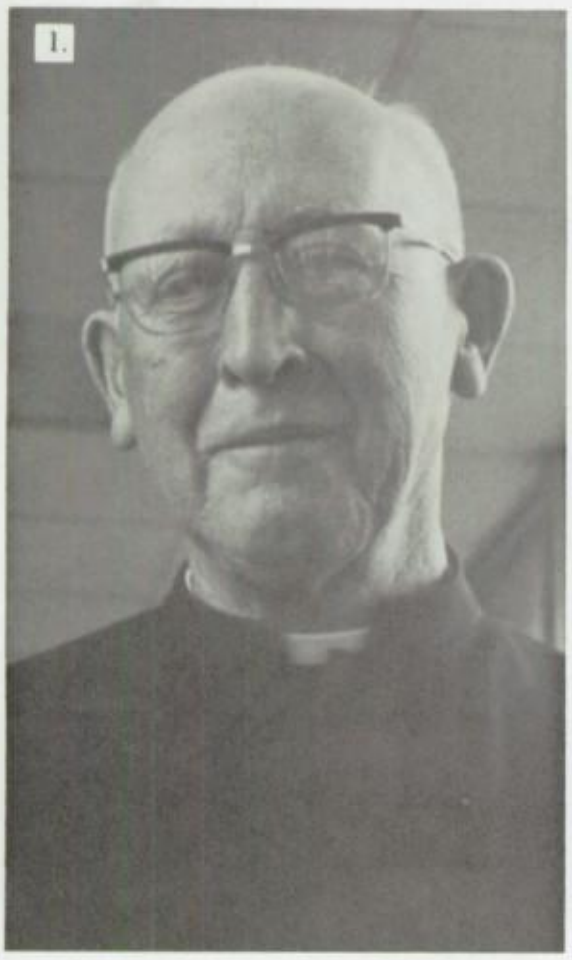
3. MR. PATRICK J. HENNING: B.M., Quincy College. Director of Esquire Band and Marching Band; Fifth year.

3.



Drawing

The Drawing Department caters to a small group of students interested in mechanical, architectural, or engineering drawing. The courses are electives, indicating the fact that the students who take these have a serious inclination towards drawing, hence, amazing results. The department includes two teachers, Br. Joyce and Br. Kiely, and has a modern and complete drawing room situated in Room 113. The offered courses provide an invaluable background for future study in drawing.

1. BR. PATRICK R. KIELY: B.A., St. Mary's College. Teaches Drawing; Fifth year.
2. BR. C. E. JOYCE: B.A., Iona College, M.S., Bradley University. Teaches Mechanical and Architectural Drawing, and Algebra I; Coach of Water Polo and Swimming teams; Thirteenth year.
3. Brother Joyce patiently explains the techniques of proper mechanical drawing.

Library

The library is certainly the most eye-appealing aspect of Brother Rice. It remains as a haven for the solitude-seeking scholar, it is an invaluable aid in research, and it provides a comfortable atmosphere for individual reading. The library is efficiently managed by Br. Pilon and his competent staff. In addition to the library proper, as extensive audio-visual center has been developed which includes the latest technological innovations in teaching aids. These devices are instrumental in assisting the instruction of nearly all courses offered at Brother Rice.

2. MRS. ELIZABETH RIEBEL: Attended St. Xavier College. Librarian; Fourth year.
3. MRS. MARY KAY ARNOLD: Librarian; Fourth year.

Physical Education

The Physical Education Department fulfills the concept of well-rounded Brother Rice students. It provides freshmen and sophomores with an athletic background which includes calisthenics, games, weightlifting, and aquatic instruction. The department's full potential is hampered by a lack of ample facilities, although the instructors attempt to make do with the space and equipment which is available to them. A recent addition to the department is a weight training machine, it will be used in gym classes and after school activities.

Principal's Advisory Council

The Principal's Advisory Council is concerned with sundry issues that face the administration and it attempts to facilitate decisions and policies for the school. The faculty members who comprise the council represent the diversified interests of the school, by bringing them together many new ideas can be discussed by people representing the whole school, not particular groups. The council in an invaluable tool in helping to implement the policies of Brother Rice High School.

Left to right: Br. Mahoney, Mr. Cassidy, Br. Shannon, Mr. Bara. Missing from picture: Br. Reynia.

Curriculum Committee

The Curriculum Committee is headed by Mr. Cassidy and is concerned with the academic curriculum offered at Brother Rice. The members of the committee discuss possible revisions in the curriculum and present their results before the principal. Their main goal is to present courses in an intelligent, responsible, and well-rounded fashion, courses which interest and motivate students.

ORGANIZATIONS

Student Council

The Brother Rice Student Council, 1973-74, truly operated most efficiently and successfully in representing the entire student body, from the new freshman class through the seniors. Perhaps the reason for this joint effort was the cooperation of all facets of government including officers, representatives, administration coupled with an interested and active student body.

The elected officers for the Council were Rick Mirabelli — President, Vice-President Steve Rosenbaum, Secretary Joe Ferrick and Tim Beatty as Treasurer. The first real test of the Council's ability to adjust to situations was Tim Beatty's departure to Florida, which brought about the first vacancy appointment by Rick Mirabelli to Joe Tucker. The prominence of the SC became evident since early in the year. One common unifying goal set at the outset was to unite the student body and be the main source for student services, according to President Rick Mirabelli.

A record number of committees were initiated and reestablished to quench the varied demands of the near two thousand students. Vince Ambrosia and the Social Committee sponsored Junior-Senior coffeehouses and reinstated movie nights. The Student Council Assistance Board (S.C.A.B.) under Steve Rosenbaum's direction became a reputable backbone for student detention complaints. The *Relay* spread Council activities in print to the students, and through the SC bulletin board, many other activities such as the Turkey Trot, Grub Day, Free Throw Contest, became realities. The most widely displayed concern for student involvement were the Ice Skating Party and the Wheelchair Basketball Game, both opportunities for student gatherings.

The class reps, acclaimed especially for their continual support, helped make the Christmas Drive for the needy and the Senior Foyer Drive possible, successful in building student morale. Firsts for this Student Council included the SC selling and operation of parking blocks, and a very resourceful item, the Student Phone Directory under Jim Booth. In orienting the Council towards a genuine assistance board to school and community, many donations to causes were completed, supervised by Treasurer Joe Tucker.

Finally, without the continuous dedication of Moderator Br. McGraw, Bro. Popish, Mr. Cassidy, Mr. Osborne, and Mr. Cummings, communication lines would never have remained so open and ideas exchanged. The Student Council finally became a student asset due to the combined efforts of faculty and student cooperation.

Key Club

Brother Rice this year formed a Key Club, a service organization comprised of high school students, which attempts to serve both the school and the community. Key Club is the official high school affiliation of Kiwanis International, an organization of professional businessmen dedicated to the unique cause of helping to better their fellow men. The Key Club was formed in order to instill these virtues into high school students and to provide them with an outlet for implementing their talents and skills towards performing much needed tasks which benefit both their school and their community. This is accomplished in many ways, such as fund-raising drives, collections, special projects and the selfless devotion of time and energy.

The Brother Rice Key Club is sponsored by the Southwest Kiwanis of Chicago and belongs to the Illinois District. With the support of Br. Hale, the election of officers was carried out according to Key Club bylaws. The officers for this year were President Steve Rosenbaum, Vice-President Andrew Stevens, Secretary Kevin Duffy, and Treasurer Brian Coughlin.

Pep Club

The Pep Club, under the direction of Br. Walczak, once again provided the spark needed to kindle student interest at the football games and pep rallies. This year a new dimension was added: the establishment of a pep section for the basketball games. The Pep Club once again helped to make the halftime pageantry at the football games more colorful through the choreography. This year's Pep Club was led by head cheerleader Rick Williams and Chuck Marcordes, who was the '74 Crusader. Through their efforts, combined with the efforts of the other Pep Club members, the Brother Rice crowds were some of the most enthusiastic in the Catholic League.

Dance Committee

Moderated by Br. Walczak, the Dance Committee was responsible for all stages of the numerous dances that were held at Brother Rice this year. The highlights of the year were the success of Mississippi Queen as the Homecoming theme, the Styx concert, the 50's dance featuring Jade and the Battle of the Bands, which was eventually won by April Wine. These, plus the semester dance and the various other dances, were successful due to the efforts of the committee.

The officers for the Dance Committee this year were President Robert Cultra, Vice-President Steve Rosenbaum, Band Chairman Bob McNicholas and Publicity Chairman Earl Mulderink. The art backgrounds at the dances was created by Pete Bosy. All money made by the dances this year were donated to the general fund.

C.A.L.M.

CALM (Chicago Area Lay Movement) is an organization comprised of juniors and seniors from both Brother Rice and Mother McAuley High Schools. It is essentially a tutoring service, providing inner-city black children an opportunity to gain further education. The program is operated for children in the primary grades, but older, interested children are encouraged to join.

CALM consists of three different parish groups: Holy Cross, St. Charles and St. Cyril. They meet every Tuesday from 3:30 to 4:30 p.m. at Br. Rice, Mother McAuley and the grade school at 64th and Dante. Even though one hour per week does not indicate much time spent on helping the children, just the fact that one is interested in their educational development makes them better students. It also helps the tutors by dealing with people from a different background.

ST. CHARLES GROUP: *Front Row:* Sr. Nadine, S. Fitzpatrick, M. Murray, T. Flemming, P. Scannel, P. Hughes, M. Drury, C. Carney, K. Riley, P. McCarthy, T. Cecil, T. Kilroe, B. Bardach, L. Shallow, T. Kurowski, M. Barry, Bro. Devane, *Middle Row:* Bro. Vranka, C. Johns, C. Smiles, J. Sachky, B. Boland, C. Azzarello, J. Nolan, H. Mills, L. Lukasik, J. DiNovo, R. Barnes, B. Crowley, T. Bugno, E. Lipka, M. Scanlon, N. Holik, Carl Molton, *Back Row:* K. Rufolo, S. Schultz, M. Kenney, B. Howard, B. Sibik, T. Tomaszewski, P. Flavin, M. Conrad, R. Pniewski, J. Smolecki, G. Gaudis, B. Huguelet, L. Tate.

Standard

The *Standard*, the Brother Rice school newspaper, continued to progress along a course of journalistic excellence that its goals originally established. In order to enhance this year's quality in writing and layout, Br. R. E. Tomkins, the moderator, sent members of the staff to attend summer workshops — Ed Zagorski went to Northern Illinois University while Pat Egan went to Ball State where he won an award of excellence for advanced newswriting. During the year the *Standard* was initiated into chapters of five major Press Associations: Quill and Scroll; National Scholastic Press Association; Columbia Scholastic Press Association; American Newspaper Publishers Association; and Northern Illinois Scholastic Press Association. With a limited but persistant staff to write articles, the editors were able to publish an edition in mid-September, the earliest that an edition of the *Standard* has ever been published.

Under the leadership of Editors-In-Chief Brian Farrell and Rick Kresse, the staff continued the degree of excellence that had been established in the first edition. Material ranging in scope from community news to rock group critiques found their way into the paper. Overall, a total of six editions were published during the year.

The highlight of the year came when Rick Kresse and Terry Bugno were named as finalists in the Quill and Scroll literary contest. Rick placed fifth in advertising designing while Terry finished ninth in editorial writing. It is the hope of Br. Tomkins that the strive for excellence will continue during the upcoming year.

Beaty to Florida

Student Council Vacancy

By: Ed Zagorski

As Oak Lawn recently found itself with too many elected officials, conversely Brother Rice has found itself with too few elected officers in its Student Council.

This summer, Student Council treasurer Tim Beaty left Brother Rice to move to Florida. As a result, the position has been declared vacant by President Rick Mirabelli. It cannot be left this way for long because of the many responsibilities the treasurer has, including budgeting and collecting money from all Student Council — sponsored activities.

To find out what might be done to resolve the problem, Rick Mirabelli and Steve Rosenbaum, the Student Council's president and vice president, were asked to express their views on the subject.

Rick Mirabelli has not reached a definite conclusion regarding the just solution. He discussed the issue with last year's Student Council president, Paul O'Flaherty. Neither of them found anything in the Student Council Constitution to guide them in solving this dilemma. "A special election may be necessary. We want to solve this problem as quickly as possible," he continued.

Steve Rosenbaum then provided his impressions on the subject. In his opinion, a special election should be called in order to serve the students better, as the Student Council officers have promised in their platforms. He felt that an appointed treasurer's qualifications would not be so well known to the student body, and then reiterated, "In the Student Council's best interests, as well as the students', we must have another election."

Rick and Steve have been working on this topic since it came to their attention and the students and faculty will be kept abreast of the situation until a decision is reached.

Past and Present

By: Greg Paprocki

The Congregation of the Brothers of the Christian Schools of Ireland, more commonly known as that of the Christian Brothers, was founded by Edmund Rice in 1802. Confronted by the dire poverty and neglect of the young boys in his native Waterford, Edmund Rice, a wealthy merchant, devoted his life and fortune to found a Congregation of religious teachers whose particular purpose would be "to promote the spiritual good of the neighbor by instruction of youth, especially the poor, in religious knowledge and their training in Christian piety."

Since these humble beginnings of his first school in Waterford, Ireland, Brother Edmund Rice and his devoted followers have carried the principles of Catholic education throughout the world to England, Gibraltar, India, South Africa, Australia, New Zealand, South America, Western Island, the United States and Canada. As of 1973 there were over 3,000 Brothers teaching boys in nearly 300 schools.

Brother Rice High School was instituted in 1956 to fulfill a need for Catholic education in the far Southwest side of Chicago. It is built on a 2 acre site. It was originally built to accomodate 1600 boys as well as a faculty building for 42 Brothers. The building is built out on an open plan, with individual wings.

The gymnasium building has a seating capacity of 2,150 for basketball and other athletic events and more than 3,000 for plays and other functions (seating the use of the stage. The cafeteria can accomodate 6

Media Club

The Brother Rice Library Club has done yeoman service in helping the librarians, teachers and the student body in general.

This year the Club and the Audiovisual Center have joined forces, becoming the Media Club and hoping that by this coupling a more vigorous and effective organization might be formed. Meetings are held each first Friday of the month under the direction of President Mike White and moderator Br. Pilon. At this time, problems are discussed and policies established. During the summer, each member is expected to devote twenty-five hours of his time while inventory is being taken. An outing in June climaxes the year's activities.

Impulse

This year, its eighth, will be remembered as a year of experimentation. This year's staff offered two editions to the student body for sale. This year also marked the establishment of a thematic structure which revolved around the question of "Where do we go from Here?" A record number of approximately two-hundred articles were submitted for publication of which seventy-five, the largest ever selected, were finally included in the magazine. The response to this effort, according to moderator Kevin P. Hickey, was the largest circulation that the magazine has enjoyed.

This year's editions were under the leadership of Mr. Hickey and Editors-in-Chief Terry Bugno and Pat Egan. The magazine was, according to the editors, dedicated to the ideal of continuing student creativity in all facets of literature. This was accomplished through the endeavors of Mr. Hickey and his hard-working staff who once again provided students with a forum for expressing their literary talents.

Ecology Club

The Ecology Club, under the supervision of Mr. Dennis Konieczny, had a very busy year. A three day trip exploring the caverns around the Current River in Missouri and the exploration of Volo Bog were the highlights of the year. The officers responsible for coordinating Ecology Club events were President Paul Jacobowski, Vice-President Joseph Salack and Secretary Ted Vatch.

Speech And Debate

The Speech, Debate and Student Congress teams have had another successful year under the leadership of Mr. Ross. The Debate team has qualified as one of the top seven in the Chicago area. Individual standouts include Brian Matise, a sophomore, and junior, Glenn Rabinak. Both will represent Brother Rice at the National Catholic Forensic League Grand Speech Tournament in late May.

A great deal of our school's success in Speech, Debate and Student Congress over the years is due to Mr. Ross. In 1972, Mr. Ross coached the first place Student Congress from Brother Rice. He has also coached two City Championship Debate teams, one City Championship Speech team and has been chosen the Outstanding Coach of the Year in 1972. The qualifying of Brian and Glenn makes it the 11th consecutive year that students under Mr. Ross have made it to the finals.

Brian Matise is ranked as one of the top six speakers in Chicago.

Chess Club

Now in its second year at Brother Rice, the Chess Club has proven that it is no one-night sensation that resulted from the Spasky — Fisher chess match. Instead, the program has continued to grow and develop so that gradually more and more students are becoming interested in one of the oldest games in existence.

This year's club was moderated by Br. Fitzsimmons. Aided by senior Joe DiNovo, this year's program included several interscholastic tourneys as well as some matches against students from other schools. It is the hope of the members that they will eventually be able to participate in a chess league.

Crusader

The 1974 edition of the Crusader represents the culmination of a task that required countless hours of work by a reasonably small amount of students. It was their job to transform 10,000 pictures and various statistics into a logical, and hopefully enjoyable, record of events that occurred at Brother Rice this year.

The planning stages began in July of 1973 with newly-named Editor-in-Chief Erik Muraskas attending a Journalism course designed for yearbook editors at Oakland University in Rochester, Michigan. His first act upon his return was to name his choices for various sections of the book. Pete Bosy became Art Editor, which encompassed the dividers, theme and other special effects used in the book. Earl Mulderink was Faculty Editor while Larry Locascio became Sports Editor. Pat Egan and Terry Bugno were named Assistant Editors who were responsible for the sections of the book that had not been delegated, such as organizations and events sections. Br. Duffin, the moderator, provided expertise when confronted with situations when the editors needed advice.

Photography was once again one of the major difficulties faced by the editors. Although the photographers did a fine effort in attempting to capture the year, there were some events that could not be adequately covered. This occurred even with the help of a professional studio. Another difficulty faced was the problem of timing, such as getting the organizations together for various group shots. Despite these and other problems, there were some novelties used this year to enliven the yearbook such as a theme based on a popular song and the numerous special effects throughout the book.

It is the hope of the editors that the innovations in this book have enlivened this book and that their efforts will result in greater enjoyment of the book and a fonder remembrance of 1974 at Brother Rice by all who in some way participated in it.

National Honor Society

The purpose of the National Honor Society is primarily to recognize those Juniors and Seniors who have shown the combination of academic excellence coupled with the qualities of leadership, service and good character, both in school-oriented and community-oriented organizations. The requirements for membership is that the candidate must have a minimum 3.0 grade point average. Having met this requirement, his qualities of leadership, character and service are studied. The names of those are then submitted to faculty vote.

Moderated by Br. Favero, the officers were President Joseph Scally, Vice-President Terry Davis and Secretary-Treasurer Earl Mulderink. The Society provided tutors for students who desired help with their work outside of the class periods. Pictured on these pages are members in some of the service organizations fulfilling the service requirement that all members must fulfill.

Band

The Brother Rice Music program made many great strides this year, as the Brother Rice band members once again assumed their official representative status to the community. This year's activities generated many unique performances by our renowned Concert Band, Esquire Band, jazz ensemble, "All Aboard for Broadway" and "No No Nanette" show bands.

The Concert Band under the direction of Leo J. Henning provided its listeners with the finest in musical selections. In addition to its traditional Fall and Spring concerts, a Winter Concert on March 3 was added to increase public exposure. A wide spectrum of music was performed throughout the year including classical favorites "Orpheus," "Themes from the Nutcracker Suite," and Tschaikowsky's "Finale from the *Fourth Symphony.*" Lighter arrangements such as "Ragtime Follies" and "Carly Simon" added flavor and audience appeal.

One sad note was that this was the final year for Brother James Coleman, C.F.C., as moderator of the band, after having led them for the past five years. The Concert Band officers for the year were Fred Loffredo — President, Terrence Bugno — Vice President, Chuck Maslowski — Secretary and Art Little — Treasurer. Sparked by the twenty-nine senior members, the band received much praise on an excellent season.

The Concert Band also marched in many half-time performances at the football games, climaxed by a spectacular Homecoming show centered on a dixieland atmosphere. The Band rounded out its public relations activities by participating in both the St. Patrick's Day and Columbus Day Parades.

The Esquire Band continued its function of training younger, inexperienced players in a program designed for them to mature into Concert Band players. Under the leadership of Patrick Henning, who also was the marching band director, these boys contributed many demanding pieces to the music presented at all three concerts.

National Merit

This year, as in the past, Brother Rice maintained a high scholastic standing by placing seven National Merit Semi-Finalists and twenty-five Letters of Commendations.

Letters of Commendation are given to those students who participated in the PSAT program in their junior year and who scored in the top two percent of the nation. Brother Rice produced seven Semi-Finalists, which is unusually high for a single high school. Approximately 15,000 Semi-Finalists in the country compete for 3,100 National Merit Scholarships. James Cunningham advanced to receive the recognition of a National Merit Foundation Scholar. The requirements for the scholarship include endorsement from the school, confirmation of the scores on the PSAT/NMSQT test, possible re-examination and the pronouncement of their academic and other school-related accomplishments.

Student League Of The Rosary

The Student League of the Rosary is a group of dedicated students who joined together in praying the rosary to our Blessed Mother. Meeting every morning at 7:55 A.M., the League, under Mr. Hanasits guidance, conducted prayers in the chapel. It welcomed students and faculty alike to join in some kind of religious activity before school. The group emphasized devotion to Mary, and sponsored various special prayer days for peace.

Bookstore

The Brother Rice Bookstore, managed by Brother T. C. Mahoney and assisted by his crew, was again the official supply store for the students both before and after school. Carrying all the essential school items, they also sold various paperbacks for English and Religion courses, to gym equipment. The bookstore also became noted for their fast service in getting new ID cards for students.

Illinois State Scholars

Brother Rice, always known for its high scholastic reputation, again provided evidence of academic excellence with the naming of 112 Illinois State Scholars. These 112 Brother Rice seniors were chosen on the basis of their ACT scores and high school records. Over 46,000 Illinois high school students competed in the scholarship program of which approximately 1,500 were selected as State Scholars.

In order to qualify as a State Scholar, a student must have a respectable class rank and an ACT composite score of at least 26. A student who has been named an Illinois State Scholar is a candidate to receive a state grant of up to $1,300.00 if he qualifies with the Illinois State Scholarship Commission's financial need calculation procedure. Being named an Illinois State Scholar is also noteworthy for the recognition it gives to the individual in addition to its importance in determining the admission status of the individual at the college or university of his choice.

Alumni Association

The Alumni Association is the congregation of past students of Brother Rice who choose to remain active in the events of their alma mater. The purpose of the organization is to provide graduates of the school an opportunity to continue their friendships through the Association-sponsored activities. The most prominent of these activities were the Basketball League and the Softball League. These enabled Alumni to play ball with other members as well as with members of the Faculty. The Association was also active during the preparations prior to the Homecoming festivities. Moderated by Br. Granitz, the organization hopes to grow into a strong club that will eventually include a majority of Brother Rice's Alumni.

Mothers' Alumnae Club

The Brother Rice Mothers' Alumnae Club is an organization formed by past members of the Brother Rice Mothers' Club to help the Houses of Formation of the Congregation of Christian Brothers. Each year they sponsor a dance, luncheon and rummage sale to help raise funds. Moderated by Br. Pilon, they are asked to pray daily for vocations to the Brothers as well as for the Alumni of the school.

Alumni Dads' Club

Under the direction of Br. Vranka, the Alumni Dads' Club was formed to provide former members of the Fathers' Club an opportunity for giving further service to Brother Rice. This year their endeavors yielded sports equipment which supplemented that already used by the teams. The Club also provides a forum for the Dads' to enjoy social gatherings. Besides cosponsoring activities with the Alumnae Mothers' Club, they also have fund-raisers of their own through which they continue to aid the school.

Mothers' Club

The Mothers' Club provided members with an opportunity to bind together in a common goal of aiding the school. The Mothers' Club is responsible for the success of the ad drive. All of these advertisements were included in a volume that was distributed at the annual Spring Luncheon. The profits were used for new lighting fixtures that provided increased light intensity.

Monthly meetings are necessary for the planning of all the events that the Mothers' Club sponsors, such as dances, fashion shows and luncheons. Under the direction of Br. Shannon and a devoted group of officers, this year's club was able to enhance both the reputation of the school in addition to their own organization.

This year's activities were culminated at the annual Spring Luncheon which was held at the Martinique. After the luncheon and the fashion show, Br. F. C. Shannon spoke to the Mothers' Club for the last time as moderator. Having been moderator for the last nine years, Brother then swore in a new group of officers for the Mothers' Club for the last time.

Father's Club

The Father's Club has completed another successful year serving Brother Rice. The members sponsored a number of activities including cookouts, a bowling day, a dinner dance, a golf outing and numerous father-son functions. Members also ran the snack bar and served as ushers at the dances and varsity games.

The Father's Club, moderated for the first year by Br. Duffin, also raised approximately $40,000 through the ad drive and the Chocolate sale.

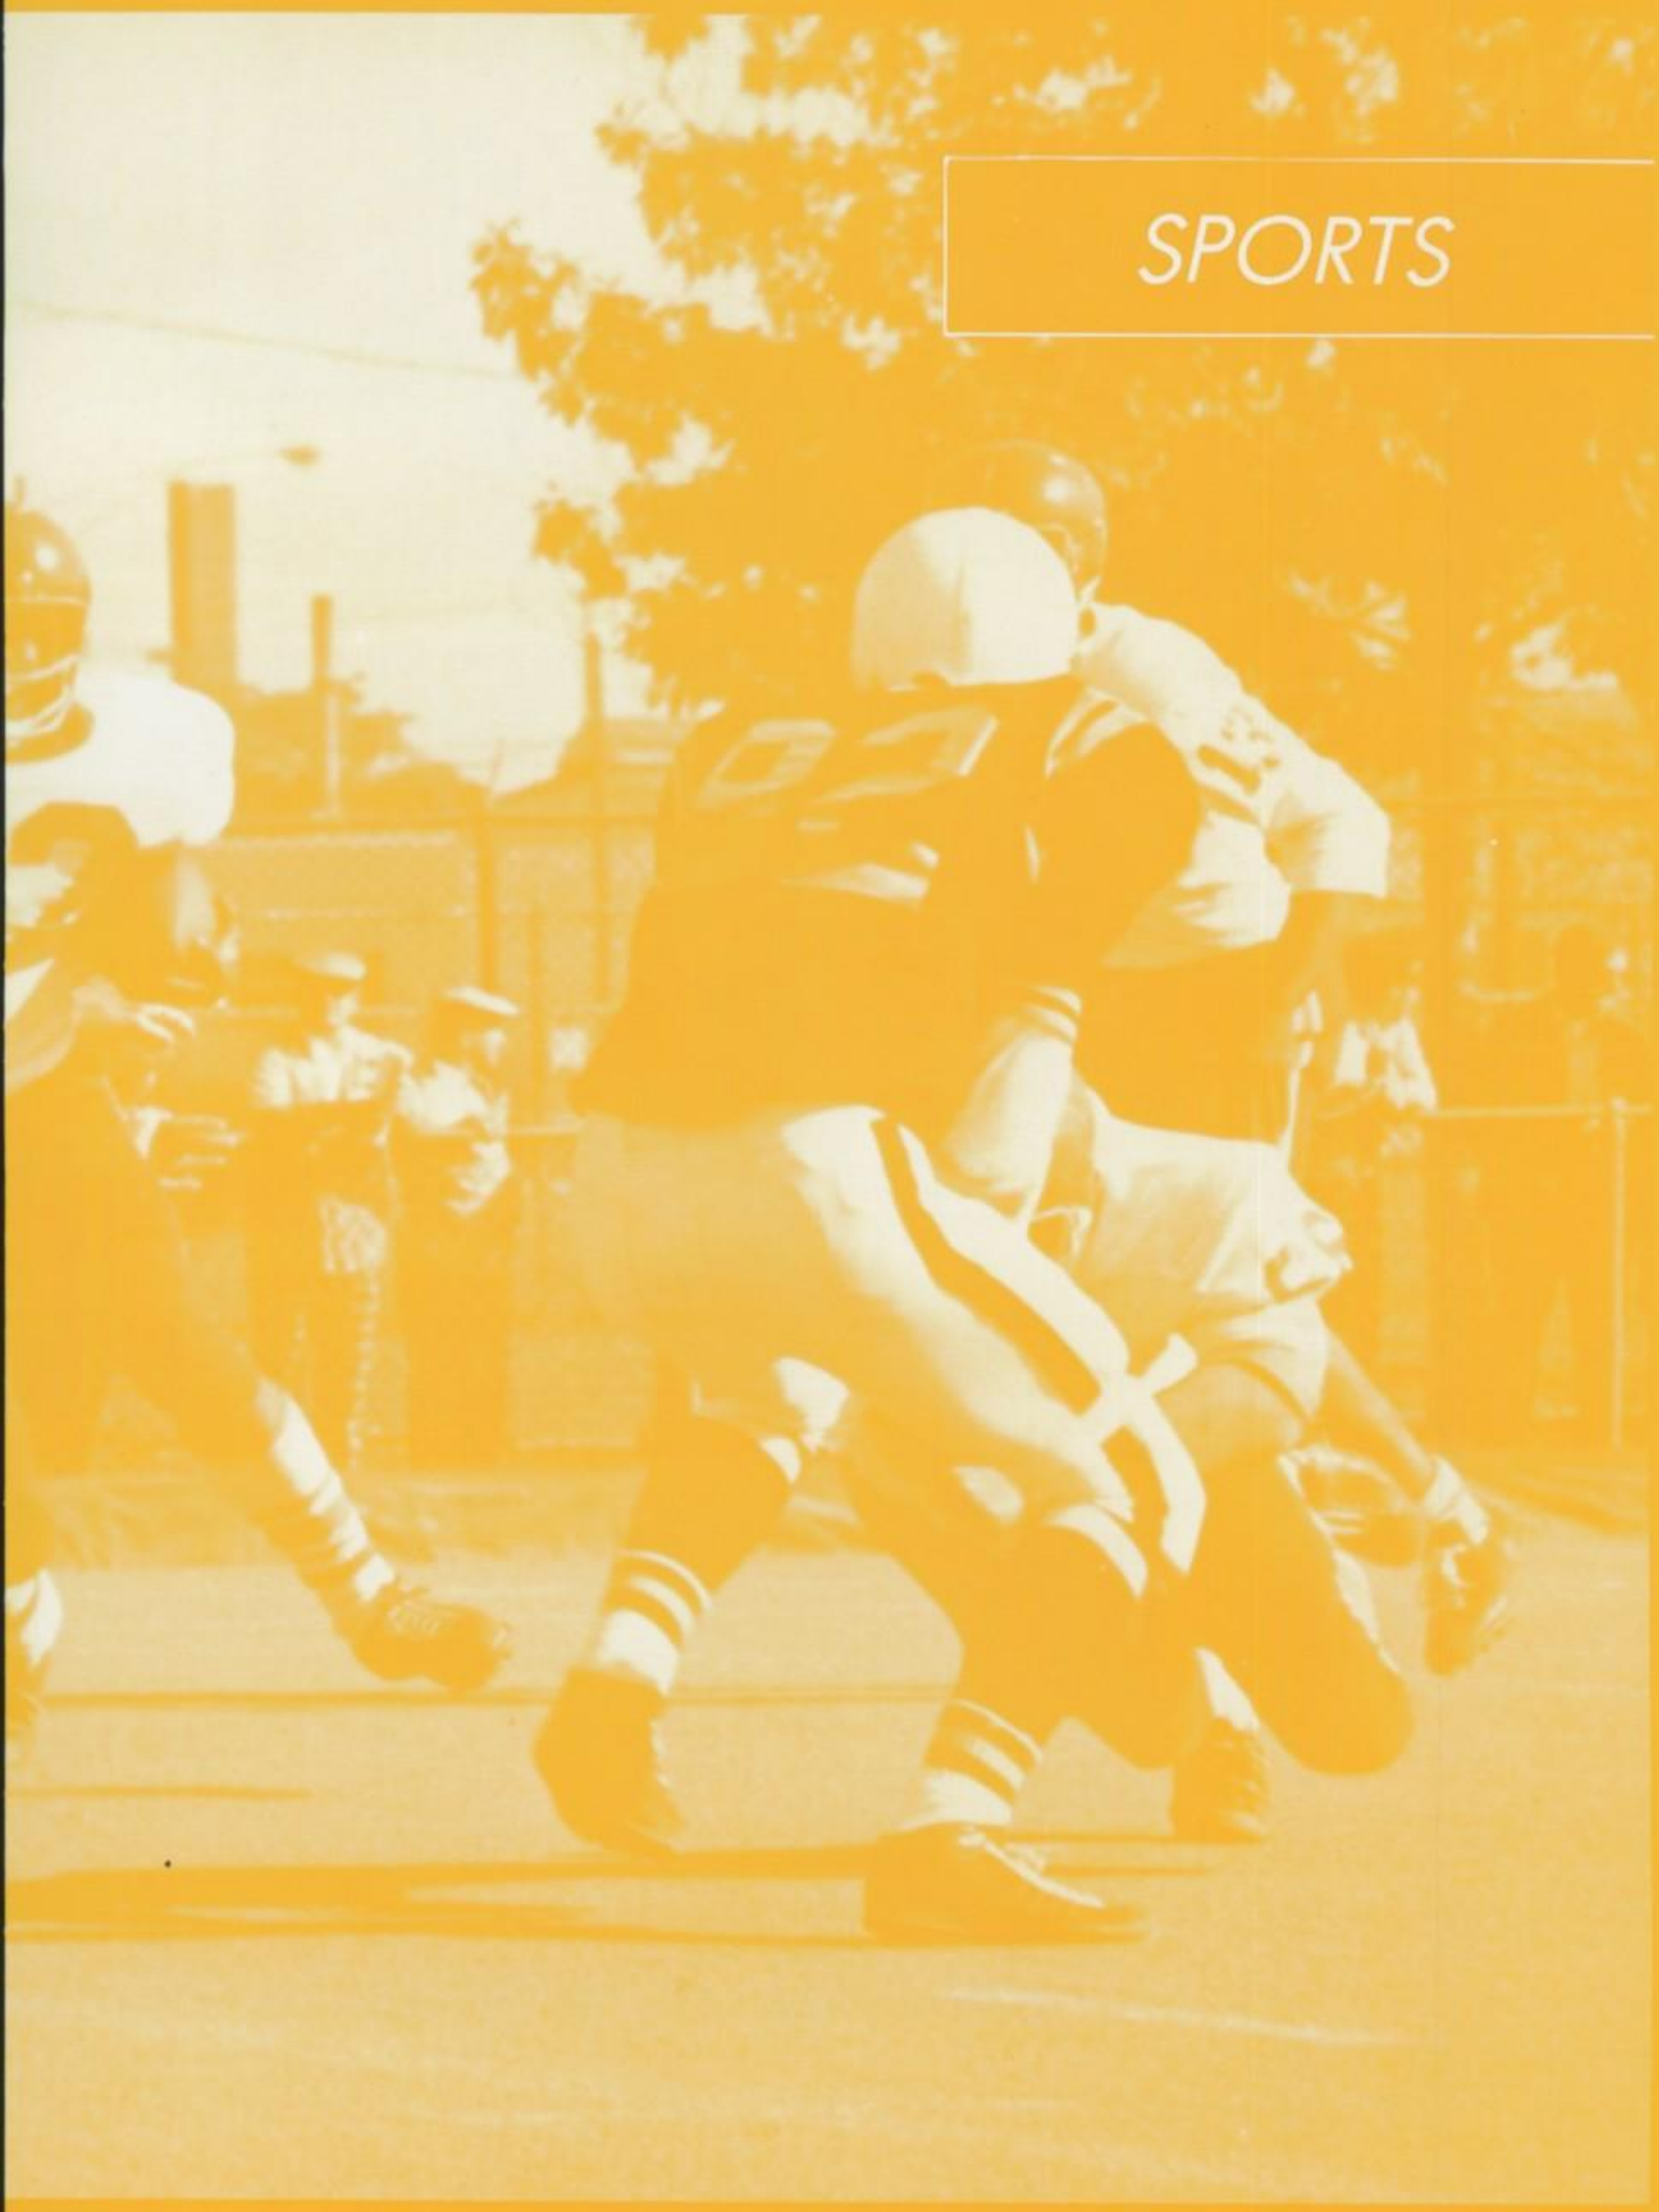
SPORTS



Water Polo

Water Polo is possibly the roughest and most exhausting sport at Brother Rice. This year's team was one of the best in recent years but was plagued by bad luck and unfortunate circumstances.

The Crusaders had a rough schedule, finishing with an overall 11-6 record. In the Mt. Carmel Invitational, the team fought to the finals and took second place behind Northside rival Fenwick. League competition left Brother Rice with a 3-2 record but hard breaks and foul trouble during the Catholic League Playoffs found the team finally finishing fourth.

Coached by Br. Joyce and assistant coach Br. McDonald, the team was filled with talented, enthusiastic players. Co-captains Tim Harris and Phil Dekan led the team with excellent performances. Tim, a great swimmer, dominated the entire league with his forceful play. Phil, possibly the best goalie in the league throughout the regular season, tied a Catholic League record for most penalty shots stopped in a row — three. Other senior starters were leading shooter Bob Cody, Tom Fey, Bill Maloney and Tom Langan.

Juniors Bill Cody and Larry O'Connell excelled this year at times even over the performances of their senior counterparts. Bill received All-Catholic, All-State and All-American recognition, and Larry earned All-Catholic and All-State awards while just missing All-American by a single vote.

Soccer

Soccer at Brother Rice has finally reached the recognition that was first hoped for over three years ago with the formation of a soccer club under Br. Marque. Last fall Soccer coaches P. J. Ahern and M. Markulin formed the Chicago Catholic Soccer Association to prepare the soccer teams of several Catholic League schools for membership in the Illinois High School Association. As a result of their efforts, the Catholic League made soccer an officially recognized sport. In command from the start, Brother Rice soon dominated.

The Soccer Team, lead by co-captains Karol Kowalczyk and Ed O'Connor, captured first place in the Chicago Catholic Soccer Association with a 5-0-1 season record; moreover, they defeated St. Laurence 1-0 in the finals to take first place in the Catholic Soccer Cup Tournament.

A much improved team from last year, the team boasted of only one point scored against them during the entire season. Gordon Tech was the only team to as much as tie Brother Rice, 1-1, which was rectified by a Bro. Rice shut-out 3-0 in the quarterfinals. Most valuable defensive player was Zenon Balchunas, most valuable offensive player, Karol Kowalczyk, and most valuable all-around player Ed Sinkus. Lead by these and most improved players Ed O'Connor, Bill Edwards, Tim Smith and Gerry Tinley, the team possessed " a healthy combination of an excellent defense and a talented offense," according to Coaches Ahern and Markulin. Next year promises to be equally successful.

Cross Country

The Cross Country Team of Brother Rice had a very successful year under the direction of new Head Coach Bro. Schul. The varsity completed the season with a record of 6 wins and 4 defeats. The harriers also took fifth in the Catholic League Championship and a fifth place finish in the Milwaukee Invitational Meet. Steve Boblak was the captain, and outstanding seniors includes Andy Stevens, Tim Freeman and John Malone, who set a school record for three miles recording a time of 14:55.

The Junior Varsity harriers also finished the season with 6 wins and 4 losses. Outstanding runners included Ken Cassidy, Dan Lauder, and Bob Waite. Brother Schul believes that the Junior Varsity contains excellent prospects which will make the upcoming years full of excitement.

Golf

Led by Captain Lance Ten Broeck, the golf team compiled a perfect 6-0 record to win the Catholic League Golf Championship. Ten Broeck later went on to win the Tony Lawless Award which signifies the outstanding player in the league. Coach Br. Devane was presented with the Coach of the Year Award for his endeavors. Other members of the team who showed extraordinary talent were Ed McElroy, Frank Mitrick and Vince Ambrosia. The Junior-Varsity team showed great potential which should insure Brother Rice of a strong team in the next few years.

Bowling

After a slow start, the varsity bowling team, led by Coach Johnston, captured the Catholic League Championship. The varsity finished with a 6-2-1 record. This was enough to earn Brother Rice the title of South Section Champions. The Catholic League Championship went into overtime against Gordon Tech. A victory in sudden death climaxed the season with the championship.

Many seniors were outstanding in competition. Kevin Insalato was named the Most Valuable Bowler of the Year while also earning a berth on the All-Catholic team. Tom Kmieciak was also outstanding, finishing with an average of 178 and having the high game of 246 and high series of 678. Other seniors who contributed to the Championship were Mark Zaremba, Ron Zigmont and Steve Chrzanowski.

The Junior-Varsity Team had a disappointing season, finishing fourth with a record of 2-5. The outstanding junior bowler was Norb Panek with a 160 average.

Football

After heartbreaking second place finish in the 1972 season, the Crusaders were rated first in many pre-season polls. A two-point loss in the opening game eventually affected the results of the whole Catholic League. But after an off-form one and three start, a strong comeback saw Rice win four consecutive games in a powerful effort to get into the playoffs.

Highlighting the season was the smashing Homecoming victory over the future City Champion St. Laurence Vikings, which made the Crusaders the only team in Chicago to have a perfect record over them. Living up to their potential, Rice dominated the entire game and left Laurence with a humiliating 36 to 18 loss.

In the last regular season game halfback Jim Coleman and reserve quarterback Herman McCall combined for over 250 yards as the Turks defeated Mendel by a 30 to 13 score with a second half rally. The victory caused a three-way tie for the fourth playoff berth, Fenwick winning the all-important coin flip and drawing a bye in the special playoffs.

Wednesday night, November 7, the Crusaders and Monarchs clashed again at Gately. Tied at 8 with ten seconds remaining, Mendel attempted a field goal into the wind from the twenty yard line. The ball struggled over the crossbar by inches, winning the game for Mendel, 11 to 8.

Crusader Jim Coleman broke the all-time Brother Rice rushing record, gaining 1194 yards in 131 carries. His dynamic performances included an 85 yard punt return against Leo and many fine kickoff returns. Coleman was voted All-State, All-Area and All-Catholic recognition. Other All-Catholic selections from Brother Rice were Dan Cleary, Mark Donahue and junior Steve Maxwell.

The team was led by head and offensive back coach Tom Mitchell, offensive line coach Joe Johnston, defensive mentor Ron Madrick, defensive back instructor John Langdon and end coach Ed Bara. Coach Mitchell was grateful for the leadership of Captains Dave Butler and Dan Cleary, along with the great support of the student body.

Although finishing with a deceptive 5 and 4 record, the '73 Crusaders' season was one filled with excitement and the taste of victory.

J.V. Football

The Junior Varsity football team is made up of sophomore football players. They practice with the varsity and use Varsity plays so that the transition to the Varsity team may happen with the fewest problems possible. This year's Junior Varsity team, according to Head Coach Ed Bara, was one of the finest the school has ever produced. The entire team exhibited exceptionally fine spirit in all their endeavors. Led by quarterback Jim Norwell, the offense executed an excellent ball control game with Tim Lawrence, Jerry Altenbach and Brian McClowery carryi the ball the majority of the time. The defense led by Jeff Conra was extraordinary in preventing game-winning plays. Because the lack of members, the line, which consisted of Dennis Nul gan, Mike Ruzich, Bob Johnson, Chuck Schawb and Kevin Barr had to play both ways most of the game. Hard work and excelle performances by every member of the team culminated in a pe fect four-game season which included three shutouts.

Freshman Football

The Freshman team went undefeated through a five-game schedule and, according to Coaches Staron and Klutarch, were a team in the literal meaning of the word. Highlighting the schedule was the come-from-behind victory over St. Rita which set the trend for the rest of the year. This year's co-captains were quarterback Larry Ruzich, linebacker John York and tackles John Blaha and Pat Hogan. The team scored a total of 108 points while yielding only 20 points.

Intramurals

Intramural sports once again drew more participation than any other activity in the school. Intramurals encompass a wide spectrum of sports which includes football, basketball, handball, wrestling, softball and table tennis. Although a basic proficiency of the sport is beneficial, the student of average ability can find a place at school where he is able to participate in athletic competition with his schoolmates and members of the faculty.

Brothers Fitzsimmon's and Granitz's intramural program was the largest at Brother Rice. They, along with the Intramural Committee, made the intramural program among the best in the city.

Although golf and hockey could not be continued this year, improvements such as an added session of basketball, the change to flag football and the Superstar Competition, more than compensated for any shortcomings in the program.

Frosh-Soph basketball was the first sport to be completed as Mr. Arumugan's room defeating Mr. Geenan's room in two games to capture the crown. Flag football found the Giants triumphant for the second year in a row, defeating the Steelers in the championship game. The All-Star-Faculty game saw the All-Stars emerge with an impressive 30-13 score. Handball was dominated by Jim Kane and Mike McGowan. The first session of basketball was won by the Pacers and the Trotters while the Cavs and the Cougars captured the second session. This year's table tennis champion was Ralph Wakerly, who defeated defending champ Tom Tulig for the title. Wrestling found Mark Murphy, Joe Tucker, Michael O'Malley, Greg Serratore, Rick Farrell, Brendan Lynch and John Tunney taking their weight divisions. The Superstar competition, patterned after the decathlon, was won by Bob Langert. The last sport, softball, which carried into the summer vacation, ended with the crowning of the Suns.

Swimming

Many hours of grueling practice in the longest season of any sport at Brother Rice paid off again this year for the Crusader swim team as they continued Brother Rice's winning tradition. The 1973-74 performers made up the best team Brother Rice ever had. Guided by head coach Br. Joyce and assistant coach Br. McDonald, the varsity compiled an overall 8-2 record.

The season was highlighted by a powerful victory over the Public League Champion Morgan Park Mustangs and a sweep of the Holiday South Side Championship meet at Mt. Carmel. Brother Rice later rose to the occasion to take a strong second place in the Catholic League Championships.

Led by senior tri-captains Tim Harris, Bob Cody and Tom Fey, the varsity set a total of seven records in the Championship meet. Tim Harris, the greatest swimmer in the history of Brother Rice, set records in the 200 yard freestyle and the 100 yard butterfly during the finals. His dynamic performances repeatedly inspired the team to victory, and he leaves with 14 records established over the past four years. Bob Cody, voted most valuable swimmer, received All-State recognition for his 50-yard freestyle performance at 22.1 seconds, the second best time in Illinois.

Juniors Bill Cody and Larry O'Connell excelled in their respective events of breaststroke and backstroke along with coming one — two in the 200 yard individual medley. Gary Radville, Marty Kotula, Bob Fritsch and Larry Locascio all placed well against their stiff competition. The whole team worked as a unit to obtain recognition as the best within the city limits.

On February 16th and 17th, Harris, O'Connell and Bill Cody represented Brother Rice and travelled to the National Catholic Championships at Villanova University in Philadelphia, Pennsylvania. With these three swimmers competing, Brother Rice came home with the 11th place trophy out of all the Catholic High Schools in the United States.

The Junior varsity team proved that the successful Brother Rice swimming team tradition will be carried on in years to come. They finished with an overall 7-3 record, third place in the Rice Relays and a third place finish in the City meet, trailing Loyola by a slim margin.

Track

Under the direction of Br. Schul, the varsity track team culminated a successful year by capturing the City Championship after already winning the Catholic League Championship. The entire year was marked with outstanding team and individual efforts. The Crusaders also captured third place in the Catholic League Indoor Championship in addition to their fine performance in the Brother Rice Relays. Individual performances in the Relays included four first, four seconds and four thirds out of a field of fourteen events. These were the best results a track team has compiled in the history of the Relays.

The victory at the Catholic League track meet ended northside nemesis Loyola's four year reign. Outstanding individual performances paved the way for the ultimate triumph. John Malone established a new Catholic League record for the two mile run breaking the old record by 17 seconds. Brian Sheehy captured two firsts in the 220 and 440 dashes. Wayne Bock captured two firsts in the shot put and discus while Steve Dorgan accomplished the upset of the year by taking first in the pole vault. Steve Boblak finished his Senior year undefeated in the half-mile. Brian Sheehy and Nate Wyatt set a new School record in the 220 yard dash while also finishing 1-2 in the City for their event. Mike Crosswhite, Ed Rowley, Brian Sheehy and Steve Boblak teamed up for the undefeated mile relay combination.

A number of members of this year's team were recognized for their outstanding achievements. Brian Sheehy and Steve Boblak represented the Chicago Catholic League at the International Prep Track and Field Meet. Brian Sheehy was elected the Chicago Catholic League Track Athlete of the Year while John Malone was the winner of the Mayor Daley Award for the Outstanding Student-Athlete. Br. Schul won the Catholic Track Coach of the Year award. Outstanding underclassmen on the Varsity squad were Nate Wyatt, Darryl McCray, Mark Blavin, Brian Coughlin, Ed Rowley and John Hatherly.

The Junior-Varsity also had a successful season completing the season with an undefeated record in nine meets. The team finished third in the Catholic League Junior Championships. Ken Cassidy was nominated as the most valuable Junior-Varsity performer. Other members who excelled were Bill Boblak, Bob Waite, Pete Jacobchuk, Glenn Ruben, Tom Young, Tim Lawrence, Jim Rohen, Pat Mullarkey, Derik Reed, Brian Bickhaus, Frank Dyra and Tom Trahey. Next year's team will be in a good position to retain the Chicago City Championship.

Tennis

Brother Moore, in his tenth year as coach of the Tennis Team, guided the Crusaders to a highly successful season. The overall record was 12-4 which enabled the team to win the South Section Championship for the tenth consecutive year. This was the best record the team has enjoyed in the last ten years. The tennis schedule is divided into Spring and Fall competition. During the Fall the team posted a record of 6-4. A loss to Loyola in the final match prevented a Fall championship in the Catholic League.

Returning in Spring, the tennis team went undefeated through six matches which culminated in the victory over north-side nemesis Loyola. This win enabled the Crusaders to win the League Championship through the first victory over Loyola in tennis in the history of the team.

Outstanding senior members of the team were Jeff Tremback, Ed Gudonis, Vito Cemarka, Mark Mullen, Mark Pawelski and Vito Mockaitas. The Junior-Varsity, led by Greg Papiernik, John Dugan and Dan O'Riordan, also enjoyed a successful season. Their performance should insure Brother Rice winning tennis teams in the next few years.

Hockey

The 1974 Brother Rice Hockey Team, coached by Mr. Petrak, completed the regular season with a record of 10 wins and 4 losses. The team was led by Captain Mark Uvodich and alternate captains, Tom Kurzawski and Dave Wilkens. The Crusaders finished in second place and participated for the 11th consecutive time in the Kennedy Cup playoffs. In the playoffs the Crusaders were eliminated by Mt. Carmel in two games which were extended into overtime. The final scores were 2 to 1 and 5 to 4.

Although the successful season was a team effort, many individuals stood out. Mark Uvodich was named the most valuable player. Besides being voted to the Catholic League All-Star Team, Mark established himself as the all-time point getter in Br. Rice hockey history as he amassed a total of 139 points (87 goals and 52 assists) in his 3 years on the team. This topped the previous high scores of Jim Augustine (114 pts.) and Glenn Menoni (113 pts.), both of whom were with the team for 4 years.

Besides Uvodich, goalies Mike Roche and Jim Hart provided the stats to make them the runner-ups in the race for the goalie trophy. Helping to keep the puck out of the zone were seniors, defensemen Mike and Mark Vallortigara, Steve Kowalski and Sophomore John Hemmesch. Five of the top six forwards were underclassmen. They were Tom Kurzawski, Stormy Schmidt, John Heilmann, Scott Meyer, Dave Wilkens and senior Mark Uvodich. Seniors Rick Krol and Brian Falls along with junior Casey Voris provided an experienced third line.

After three championship seasons, the Crusaders had to rebuild; and last year they finished in third place. This year, that crop was a year older and wiser. This showed with the second place finish. Next year should definitely show the results of the rebuilding process as five of the six top forwards are returning along with Mike Roche in the nets. The defense will be headed by John Hemmesch, Bill Dytrych, Ken Kosinski, and Greg Roll.

Wrestling

The Brother Rice Varsity Wrestling team took on a new head coach, John Wator, and once again built up a strong team showing. Lead by Co-Captains Mark Flynn and Mike Padden, the varsity matmen had an overall record of 8-4-1 and a 5-4-1 league standing, capturing only fourth honors. Yet, the team progressed throughout the season, especially in outside competition. Brother Rice ranked highly both from an individual and a team standpoint in the Mike Murphy and the Marquette Invitational Tournaments this year.

Heavyweight Wayne Bock held the proud distinction of being the Undefeated City Champion in his division; in addition, he won the Mike Murphy and Marquette Invitationals in another fine showing. He set a new league record time for pinning an opponent, 24 seconds. The other most valuable wrestler was Mike Padden, Co-Captain of the varsity squad. He, too, captured top honors at both of these tournaments as well as being an outstanding competitor during the season. The efforts of the entire team during this year, under the direction of Coaches Wator and Cachor, can insure that with future wrestling squads now more experienced, Brother Rice will again capture the city crown.

The Junior Varsity wrestlers provided some excellent matches during its season, finishing the year with an overall record of 9-5-1. This year's 6-3-1 league mark placed them third, with high potential a sure thing for the next season's matches.

Basketball

The Brother Rice Varsity basketball team had a frustrating year as they suffered lack of experience coming out of their second place finish in 1973. Finishing the season with an overall record of 11 wins and 11 losses, the Crusaders concentrated on rebuilding. Although they had some bad luck in league play, the team excelled in the tournaments it was involved in.

The Varsity cagers won the 13th annual and final Crusader Classic Championship in powerful style. After dumping St. Rita in the opener, Rice advanced to the finals meeting a strong St. Laurence team. After an extremely close game, a confident Dan Cleary sunk the winning bucket in the last second as Rice won 56 to 55. The team travelled east to Monroeville, Pa. at Christmastime and played three of the better prep teams in the country at the prestigious Penn Hall Academy Tourney. Leading the Crusaders to victory over two of them and losing only to the tourney champion, co-captains Tony Allen and Dan Cleary were named to the all-tournament team.

Highlighting the exhibition season was a win over a highly rated De La Salle five. Once in league play, Coach Kellogg's main ill-fated ambition was to work the team into the playoffs. Close losses in key games, foul trouble, and shortcomings in scoring at the free throw line all contributed to the Turks' problems. At Mt. Carmel, the Crusaders lost by a two free throw margin in the final minute. When three starters fouled out at St. Laurence, the Vikings came from behind for close win. And even though they held an All-State guard to just six points, the team lost to Fenwick.

But many good features were exhibited by the cagers this year. The defensive game, using man-to-man and various presses was excellent. Center Dan Cleary's game control was superlative, playmaking guard Jim Coleman handled the ball with smooth and stylish perfection, and most improved player Doug Slavin was consistently dependable. Junior George Kloak's quick development and relief work by outstanding sophomores boosted hopes for the future and as always the whole team excited the Rice crowd and prided themselves with spirit and determination.

Above all was the super performance of senior Tony Allen. His amazing overall shooting, dribbling, and rebounding ability and style make him truly one of the greatest basketball players ever to come out of Brother Rice. Among his many achievements and awards are his being voted the Crusaders' MVP and elected to the Chicago All-Catholic League team.

Sophomore Basketball

Lending their own brand of excitement to Friday night basketball at Brother Rice, the sophomore basketball team showed great playing ability. With outstanding players Mike Lyman, Mike Freeman, and Tim McGovern, who spent much time on the floor for the varsity, too, the team won their first six ballgames. But as the season progressed, they suffered some very close defeats, never letting the opposition run away with the game. After finishing with an overall 9-6 record (5-6 in league play), Coach Staron stated that with a little luck the team could have established a much better record. Nevertheless, it is obvious Brother Rice will be a strong league contender in the years to come.

Freshman Basketball

Mr. Hanrahan, in working with the Freshman team, tried to teach the fundamentals of basketball and to provide game experience for as many players as possible. With no obvious standouts, ten to fifteen players saw action per game. Much improvement was seen in the quality of the individual players and the team as a whole. In spite of their two and nine league record, the team showed desire and spirit. Hopefully, this winning tradition will continue in order to provide Brother Rice with a winning basketball team for the next three years.

Baseball

The Varsity Baseball team concluded the season as runner-up for the Catholic League title. Under the direction of Coach Sedlacek, the Crusaders posted a league record of 15-7 while the overall season record was 20-11. The team overcame early season injuries to tie for third place in the league and defeated St. Rita in the semi-finals before losing to Gordon Tech for the championship.

Highlights of the season included the performance of senior Randy Theusch, who was later named the Most Valuable Player of the Catholic League. He pitched no-hitters against Mt. Carmel and Loyola while pitching a total of 91 innings, a new school record. Don Winter led the team in hitting while Don Pasierb led the team in hits, RBI's and Home Runs. All four were picked as representatives of the Catholic League in the traditional All-Star Game. Theusch was the winning pitcher while Piechota hit a grand slam into the Wrigley Field Bleachers.

J.V. Baseball

The Junior-Varsity performed superbly as it breezed through its 24-game schedule without a loss, which is believed to be the longest undefeated season of any sport in Brother Rice history. The career record for the team over the past nine seasons is 190 wins against 23 losses for a .892 winning percentage. Most of this year's victories came on the strength of timely hitting and excellent baserunning. Much of the hitting was supplied by catcher Steve Langert, left fielder Bill Richards, co-captain Ed Eber and center fielder Scott Faurie. Co-captain and shortstop Mike Ladevich led the team in stolen bases and runs scored. After the promotion of Ken Ziemba and Chuck Schwab to the Varsity the pitching became the responsibility of Tom Preusser (4-0), Gery Sadzewicz (3-0), Scott Faurie (3-0), and Jim Schwab (2-0). One of the many highlights of the season was a no-hitter thrown by Gery Sadzewicz against Hales Franciscan.

EVENTS

Homecoming

October 19th-21st, 1973 was one of the greatest Homecoming weekends in the history of Brother Rice and certainly a great continuation of Rice tradition. It started Friday afternoon with a fantastic pep rally in the overflowing gym. Inspiring speeches were given by head coach Tom Mitchell and senior players Dan Cleary and Dave Jemilo. The Alma Mater was sung by many alumni students and faculty before Br. Vranka gave his traditional pep talk predicting a smashing victory. He also told of his bet with Br. Donnelly of St. Laurence.

Saturday evening hundreds of couples attended the annual semi-formal dance. With music provided by Heritage and Fawn, the theme of Mississippi Queen was represented through the steamboat-designed gym and the New Orleans atmosphere in the cafeteria. Highlighting the enjoyable evening was the crowning of Queen Denice Nielson, escorted by Brian Falls.

Traveling to Gately Stadium on Sunday, a caravan of over fifty vehicles led by junior Larry Locascio's first place float made up the Homecoming Motorcade. Excitement grew as our Crusaders prepared to meet the highly favored Vikings under beautiful sunny and clear skies. It soon became obvious that Br. Rice was the better team as they scored first and kept St. Laurence under control the entire game. After a great halftime performance by Br. Rice's marching band, cheerleaders, and pep club and a second half ending with our side having twice the points of the opposition, Br. Vranka collected his bet at the fifty yard line to the cheers of the Crusader fans.

The weekend was climaxed by the victory dance Sunday night in the gym. Excellent music was provided by Revision who ended the evening with a fantastic rock and roll show closing a fabulous weekend for Brother Rice.

Junior-Senior Coffeehouse

Under the direction of the Social Activities Committee of the Student Council, a series of coffeehouses were held during the year. Some were exclusively for seniors while others were for juniors and seniors. High school girls from the area were also invited to attend them. The coffeehouse program was created in order to provide students with a relaxing and informal atmosphere, one which could enliven a possibly dull and dreary weekday night. Live entertainment, refreshments and various games were provided, all of which created a festive atmosphere. Faculty members were invited and many enjoyed the rapport between students and themselves in casual and uninhibited conversations. A minimal charge was asked in order to defray the expenses, and those students who attended agreed that the price was well worth it.

Liturgies

This year, liturgies and masses became an integral part of the school curriculum, guided by the Religion department. The entire Brother Rice student body attended an Opening Year Mass, a Christmas Celebration and an Easter Celebration. By coming together to worship as a community, these masses put in concrete form the reason for our existence as a Catholic High School. Optional-attendance masses were offered monthly by faculty members Father Gallagher and Father McDonough. From time to time, masses in the chapel provided another outlet for student worship.

The full school masses were organized by a religion department member and his class, who chose themes ranging from the message of Christ to Christ's raising from the dead. The Brother Rice Band offered some religious selections for the full school mass, while they provided an atmosphere for the Extraordinary Ministers of Communion Ceremony. These men, religion department members, received the power to give Communion when needed. Through this all, there was a deeper sense of unity and purpose in the worshipping community of Brother Rice.

Dances And Concerts

Brother Rice became a social gathering place again this year with the abundance of dances and concerts that were held during the year. These provided students with an atmosphere of enjoyment and enabled them to forget about their problems while enjoying good music. Some of the groups featured during the year were Revision, Arrow Charlie, Equilibrium, Friction and Shakey Jake. A dance featuring the battle of the bands was held for the benefit of C.A.L.M. The battle was eventually won by April Wine. Also, a grease dance, that commemorated the music of the fifties, was a great success with the music provided by Jade.

The focal point of the year came with the dance — concert that featured the nationally-known recording group Styx. Also appearing in front of the packed gym that night was Fawn. Congratulations should go to the dance committee who helped students have fun and who provided the school with another source of revenue.

All Aboard For Broadway '74

"All Aboard for Broadway, '74" style, once again took the spotlight on the first weekend of November, making it the third annual production. Playing to capacity crowds of twenty-eight hundred people, this year's musical extravaganza entitled "Celebration" boasted a new format with one main hall featuring segments from well-known musicals. Br. F. C. Shannon directed and produced these nights of entertainment and was assisted by Br. Donald Murray and Br. James Coleman for the demanding vocal pieces. Billed as the "Maroon and Orange Players," the cast was composed of Alumni and Parents' Club members from Brother Rice who diligently practiced and rehearsed since late summer. Mr. and Mrs. Matt Lamb were this year's hosts, helped by Mr. and Mrs. James Daley, Mr. and Mrs. Ron Johnson and Mr. and Mrs. Thomas Powell.

This show, designed in an original broadway atmosphere, featured highlights from various recent as well as past Broadway hits, including "Pal Joey", "Pippin", "Sound of Music", "Happy Hunter" and "West Side Story". The unique blend and showmanship by the innumerable graduates and parents, coupled with the band and stage crew of Br. Rice students, made this season's festivities both a financial and an entertainment success.

Semester Dance

The Semester Dance held at Brother Rice was a huge success. The music was provided by Weapons of Peace. Hundreds of couples attended the big event.

Special commendation is to be given to Br. Walczak and the Dance Committee, who spent countless hours setting up the tables, chairs and scenery. Senior Pete Bosy once again utilized his artistic ability to create most of the scenery. The atmosphere made way for an enjoyable evening.

Candy Drive

The Building Fund Drive, the annual money-raiser for the school, acquired a new twist this year with the concept of candy selling to accompany the traditional ad-selling. Chocolate produced by World's Finest Candy Company of Chicago replaced the raffle tickets as associate means of revenue. Candy being a tangible item to prospective buyers was the main motivation behind the switch. With one box distributed to each student on the initial fund drive day, students were given two weeks to sell their quota. As a result of the new candy drive, twenty thousand dollars was realized, immediately put to use in installing new corridor lighting.

Open House

On Tuesday evening, December 4, the annual Open House was held to provide prospective incoming freshmen a brief glimpse of the school in action. The night's activities began with an intersquad swim meet which was followed by a brief concert given by the Brother Rice Band. A short address by Brother Popish concluded the formal part of the activities. After the address the students and their parents were free to browse around the school where numerous classrooms and displays were on exhibit. A number of faculty members were present to answer all questions after which refreshments were served in the cafeteria.

Project 74

As in the past, several Brother Rice students participated in the worthwhile Christian Appalacha Project. During the Easter vacation break the entourage traveled to Kentucky and spent five days performing various tasks. The trip was organized through the efforts of senior Earl Mulderink and junior Tim Ryan. They found a willing moderator and driver in Br. Fitzsimmons. Other students who made the trip included Bob Cultra, Joe DiNovo, Myron Rodak, Steve Rosenbaum and Mike White.

After arriving in Berea, Kentucky, the group was split up. Earl, Steve and Joe traveled to McKee and helped renovate a camp for underprivileged youngsters. Br. Fitzsimmons, Myron and Mike were dispatched to Mount Vernon and helped repair a factory leveled by a tornado. Bob and Tim worked in Lancaster and aided in preparing Camp Nelson for the influx of summer guests.

Although the work appeared to be trivial, the volunteers all agreed that the trip was an unusual and valuable experience. The area in which they were centered is considered one of the most indigent regions in the United States.

Wheelchair Basketball

On Sunday, April 21, 1974, the Gizz Kids from the University of Illinois challenged Brother Rice students and faculty to a wheelchair basketball game. The Gizz Kids are all handicapped but it didn't make a difference as they went on to dump the Crusaders 83 to 81. The game was not as close as the score appears because Brother Rice was given 70 points.

Over 700 people attended and approximately $450 was raised. Over half the money went to the Chicago Area Lay Movement (CALM) to help the needy.

A special thanks to the entire Student Council of Brother Rice and Bill Cody, the wheelchair basketball chairman, who made the evening an enjoyable one for all who attended.

No, No, Nanette

This year, which marked the tenth anniversary of the Brother Rice Players, was the year which will be remembered for the presentation of the nostalgic musical "No, No Nanette." The play, which attempted to recreate the period of change and excitement of the roaring twenties, drew capacity crowds for each of the performances. The music, through such songs as Tea for Two, I Want to be Happy and Peach on the Beach enabled all to remember the good 'ol days. The Cast aptly carried this impression through the portrayals of their roles.

In an endeavor such as this, there are many people who, though behind the scenes, deserve a major part of the credit. One such example is Mrs. Thomas Mitchell, whose creativity was responsible for the choreography. The settings, which were instrumental in the atmosphere of the play, were designed by Peter Bosy. Responsible for the casts' vocal selections were Br. Donald Murray while the costuming was under the supervision of Lori Zwitt. The orchestra, which put in countless hours of practice with the cast, deserve to be remembered for their contribution. Under the leadership of Mr. Patrick Henning, they played a large part in the popularity of the musical. All these individuals' efforts were reasons for the success of the play.

Mainly, though, "No, No Nanette" will be remembered as the final play at Brother Rice that was produced and directed by Br. F. C. Shannon. The producer of such efforts as "Oklahoma!," "My Fair Lady," "West Side Story," "Fiddler on the Roof" and "Guys and Dolls," Br. Shannon was the epitome of all the devotion that is necessary in productions such as these. His superb efforts will be remembered as long as musicals are continued at Brother Rice.

The 1974 Senior Prom was held on Friday evening, May 3rd at Ferrara Manor in Chicago. Nearly 300 couples were in attendance, and all had an unforgettable and exciting evening. Music was provided by the rock band Brethren and by the Leo Henning-Lou Breese Orchestra which specialized in romantic dance music. A delicious meal included New York strip steak, beans almondine, baked potato, salad, and dessert. Sheila Cavanaugh, escorted by Brian Hayes, was crowned as Queen of the Prom. The enchanted evening ended at the wee hour of 2:00 A.M., which was indeed too early for many of the couples who were reluctant to end the blissful night.

Special thanks go to Br. Walczak, Prom Moderator, and the chaperones who did a commendable job. Also, the evening would not have been successful without the diligent efforts of the Prom Committee, led by Chairman Earl Mulderink. Committee members included Vince Ambrosia, Joe Connolly, Bob Cultra, Pat Quinn, and Steve Rosenbaum.

Most plaudits, awards and recognition for any senior class are usually culminated and brought to light in the final assembly known as graduation. Not only signifying the end of a long but essential four year educational experience, it also signals the opening of new avenues of responsibility, both individually and socially. The past years are genuinely recalled, memorable experiences reflecting good and not so good times become fond remembrances in the exchange.

Traditionally, a senior's final weekend at Brother Rice began with a mass and dinner. Commencement exercises for the Class of 1974 began appropriately on Thursday, May 23rd, with the Baccalaureate Mass. The faculty, seniors and their parents were invited to celebrate the Mass of Friendship; incidentally, just four years before they celebrated the opening of their freshman year in school with a Mass emphasizing friendship and community. Concelebrants for the Mass were Fathers Hennessey (who spoke on the need for continuing friendships throughout life), Gallagher, McDonough and Souffrant. A delectable buffet-style meal ensued, affording faculty and families to share conversation over a dinner.

The actual ceremony was held on May 26, 1974 in Medinah Temple, where at one o'clock in the afternoon the Class of 1974 rose for the entrance of the faculty and honored students. The Brother Rice Band provided the festive music, "Processional" to signify the start of the ceremony. After the national anthem, Mr. Cassidy, Master of Ceremonies, greeted all those present, and introduced Terry J. Davis, this year's Salutatorian, who spoke in retrospect of the various relationships built over the past years. Brother Popish, aided by Brother McGraw, then issued the diplomas to the 439 graduates, followed by the eighteen special senior awards and six underclassmen awards. Thomas A. Tulig, who claimed the distinction of a 4.0 grade point average for four years, delivered the Valedictory, with a glimpse of what the future holds. After a rousing chorus of the Brother Rice Fight Song, the Class of 1974 marched out, heads held high.

The Graduation Class of 1974 sported 112 Illinois State Scholarships, eight National Merit Finalists and twenty-five Letters of Commendation, 114 graduates with honors, and 61 seniors who were enrolled in the National Honor Society.

The conclusion of the Crusader marks the end of a four-year unity. We have made many friends working, playing and studying together. This yearbook will serve as a final link for many of the 439 students who graduated in 1974. Graduation was the last time that we assembled as a group. These last four years have given us the opportunity to develop our ideas about ourselves and the world around us. This will be of utmost importance as we go out on our own striving to reach personal goals which high school has helped to develop.

The composition of a yearbook is a year-long process. Initial plans were undertaken in July of 1973 and the book came to a close in June of 1974. At a glimpse, a yearbook doesn't seem to be difficult. Although it consists of only words and pictures, a great deal must be done to transform this conglomeration into an organized entity. Pictures must be proportioned to eliminate unwanted parts and to fit the desired space; all the groups must be identified; information must be received from all the coaches and moderators so that accurate copy may be written. All of the approximately 10,000 pictures must be sorted and classified with the end result of almost 30% actually appearing in the yearbook. These are the major difficulties that were faced in the composition of this yearbook.

This year saw Brother Rice shed the runner-up image that it had carried for the past few years. In athletic competition Brother Rice took championships in Track, Tennis, Golf, Bowling and Soccer. Scholastically, Brother Rice continued to excel through the number of Illinois State Scholars and the National Merit Foundation winners. Brother Rice remained unsurpassed in its activities and organizations for the average student, such as C.A.L.M., Intramurals, No, No Nanette, Band and the Student Council and its various committees. With virtually all students participating in at least one activity, Brother Rice became a social gathering place as well as an institution of college preparatory education.

Unfortunately, the year ended on a tragic note with the death of Mr. Walter Nowicki. He died suddenly on June 12, 1974 after completing his eleventh year at Brother Rice. Those who knew him will remember him not only as a good teacher but as a good person as well. He truly exemplified the theme of friendship that this book has tried to portray.

Although Brother Rice is now a part of my past, I will look back on it as a beginning. I feel that my education was not exclusively in the classroom but also in the people and activities I was exposed to. The theme of this book was to get by with a little help from your friends. My education here found this adage to be true and will help me in my future.
